Subject: Cricket/ATT Arbitration -- Docket No. 2010-197-C

Jack and Shannon:

This email sets forth my understanding of the agreement we have reached regarding the electronic service of filings in this Docket.

1. AT&T, Cricket, and the ORS agree to serve filings on one another in this Docket by email and forego service of paper copies of filings.

- 2. AT&T and Cricket agree that if an electronic filing includes documents or attachments exceeding 18 megabytes, in addition to serving the filing on the ORS by email, they also will send a separate email to the ORS stating that a filing was served upon the ORS by email and noting the time the filing by email was made. If the ORS has difficulty printing documents or attachments that are part of such a filing, AT&T and Cricket agree to provide the ORS a hard copy as quickly as possible upon request by the ORS.
- 3. Filings will be served by email on the following representatives:

AT&T: Dennis Friedman (DFriedman@mayerbrown.com)

Patrick Turner (pt1285@att.com)

Cricket:

K.C. Halm (kchalm@dwt.com)

Richard Gibbs (richardgibbs@dwt.com)

Jack Pringle (jpringle@ellislawhorne.com)

ORS Shannon Bowyer Hudson (shudson@regstaff.sc.gov)

Commission Rule 103-830.1 provides that "Upon written agreement by all the parties in a docket, service of filings made in a docket at the commission may be made through e-mail or electronic service. The written agreement memorializing the parties' consents shall be filed with the commission in the appropriate docket." My understanding is that parties can comply with this rule by memorializing their agreement by email and forwarding that email along to the Interim Chief Clerk for filing in the docket.

Accordingly, if this email accurately reflects our agreement, please use "reply all" to let me know, and I will submit that email string (with copies to all, of course) the Commission for filing in the Docket.
